I would like to take this opportunity to express my sincere thanks to Government of Andhra Pradesh for giving us an opportunity to service in the most prestigious programme "Naadu-Nedu" phase I project. Here with thanking you in person for the great support extended to Johnson Tiles, for successfully servicing the schools across Andhra Pradesh, we are very proud of the same.

We thank you for the selection of designs of Johnson Tiles for the upcoming Phase II of "Naadu-Nedu" project in presence of Principal Secretary at your office on 2nd November 2020. Here with attaching the selected design list in PDF File for your reference and approval. Physical sample panels of these selected designs are submitted at your office.

Although there is a price escalation due to cost of raw materials, transportation etc, with all due respect to our discussions we have decide to extend our support to this noble cause and continue to maintain with the same old prices we supplied during Phase I of Naadu-Nedu for the upcoming Phase II project as well.

Here with congratulating Government of Andhra Pradesh and you for the commendable and timely completion of Naadu-Nedu Phase I
